

Two For One

Over the past year and two months we have had a two service format. The services have been going very well thanks to the faithfulness and hard work of our workers in all areas of the Sunday ministries.

Recently we as a Leadership Team (church board) have taken some time to evaluate the two service format to see how things are going and if there is anything we can do better.

After much thought and prayerful consideration we believe it is time to join the two services together for a while. We will do this starting Feb 3, 2008 and the service will start at 10 am. Let me explain the reason for this decision.

Some may not be aware that originally we started two services because our parking lot was not big enough to allow for growth. Since that time we have expanded our parking lot. At present there is room for growth in both the sanctuary and parking lot.

The up side of going to one service will give an opportunity for newer people to the Broadway family and those that have been around for a while to worship together and connect with each other.

This will also allow our faithful workers from both services to join forces spreading out the work load and to connect more with each other.

As a Leadership Team we know that it will only be a matter of time until it will be necessary to go back to two services again because of our continued growth.

So we have set a target time for starting two services again. The time is once we have reached an average of 80% capacity in our sanctuary seating over a 6 month period. We always want to make sure that there is room for new people.

I hope this helps to answer some of the questions you might have. If you have any thoughts or comments about this please feel free to contact me I would enjoy talking to you about it.

It is great to have you as part of the Broadway Family.

Pastor Paul
